

Limited Warranty

Motor Protection Electronics, Inc. (hereinafter referred to as M.P.E.) warrants the entire line of M.P.E. products, to be free from defects in material and workmanship for a period of three (3) years from date of purchase.

This warranty is limited to the original purchaser and further limited to repair or replacement as M.P.E. deems most appropriate. The obligation of M.P.E. under this warranty is limited to making good by repair or replacement as M.P.E. deems most appropriate. The warranty does not cover reimbursement for labor, transportation, removal, installation, shipping, or other expenses which may be incurred in connection with repair or replacement. This warranty does not apply to any product that has been subjected to improper installation, unauthorized entry or alteration, abuse, misuse, destruction by acts of God or Nature, or other circumstances beyond the control of M.P.E..

The Level Monitor Submersible Transducer is Supplied with a Transducer Vent Bellows (TVB1). For warranty consideration, proof of installation of the TVB1 is required. For a three year warranty of the Level Monitor Submersible Transducer, the Level Monitor surge protector, part number LM Surge, must be purchased and installed per the LM Surge cutsheet. Proof of Installation of the LM Surge device is a requirement of warranty consideration.

This warranty covers only the products manufactured by M.P.E. and shall in no event cover any resultant systems failures or consequential damages. Similarly, this warranty does not apply to products or parts in instances where adjustment thereof will correct the alleged defect. M.P.E. neither assumes nor authorizes any other person to assume any other warranties or liabilities on its behalf. The forgoing warranties are exclusive and in lieu of all other express and implied warranties except warranty of title, included but limited to implied warranties of merchantability and fitness for a particular purpose.
